Your home in one app

The ultimate security camera to keep eyes and ears open on what matters most.

Introducing the Nexxt Home Smart Wi-Fi Two-Way Video Camera – your ultimate solution for home security and peace of mind. This state-of-the-art camera is designed to keep you connected with your loved ones and ensure your home is always under watchful eyes, no matter where you are. With its 355° panoramic rotation, you can effortlessly monitor every corner of your room using the Nexxt Home app, ensuring no blind spots and complete coverage. Enjoy seamless wireless streaming through your home network, providing smooth and uninterrupted video feeds.

The built-in display and microphone allow for two-way audio and video communication, so you can see and talk to your family anytime, from anywhere. In case of urgent situations, your loved ones can press the dedicated emergency video call button to instantly start a video call and ask for your support. Experience crystal-clear video quality with full HD 1080p resolution, capturing every detail in stunning clarity. Equipped with infrared LEDs, this camera ensures you have a clear view even in complete darkness. Advanced motion detection with an effective range of up to 33 feet alerts you to any movement, keeping you informed of any activity around your home. With the Nexxt Home Smart Wi-Fi Two-Way Video Camera, you can rest easy knowing your home and loved ones are always within reach. Stay connected, stay secure, and enjoy the peace of mind you deserve.
